7 BUTTON RF HAND HELD CONTROLLER

#### WHAT IS IT ?

A wireless 7 button hand held controller providing 4 scenes plus off and master raise and lower.

The unit provides full scene programming.

Lithium battery powered.

The RAH07 wireless hand held controller with 4 scenes, off and master raise and lower buttons

#### REMOTE CONTROL

The RAH07 hand held push button controllers are designed to be used as an accessory to the RCM/RCP push button wall controller. The unit simply works in parallel to all other controllers within a room.

Rakom coded radio transmission eliminates the need for direct line of sight to the dimmers or wall plates, unlike infrared based systems.
